

Spine.Skin.CopySkin

Spine.VertexAttachment.Vertex
Attachment

Spine.Attachment.Copy

```
graph LR; A[Spine.Skin.CopySkin] --> C[Spine.Attachment.Copy]; B[Spine.VertexAttachment.Vertex Attachment] --> C;
```

The diagram illustrates a dependency or inheritance relationship. Two source boxes on the left, 'Spine.Skin.CopySkin' and 'Spine.VertexAttachment.Vertex Attachment', have blue arrows pointing to a single target box on the right, 'Spine.Attachment.Copy'. The target box is shaded gray, while the source boxes are white with black borders.
