

AgencyController.CreateUser

```
graph LR; A[AgencyController.CreateUser] --> B[AgencyService.CreateAgency]; A --> C[Agency.ToString];
```

The diagram illustrates two calls originating from the `AgencyController.CreateUser` method. Two blue arrows point from the right side of the `AgencyController.CreateUser` box to the left side of the `AgencyService.CreateAgency` box and the `Agency.ToString` box. The `AgencyController.CreateUser` box is shaded gray, while the other two are white with black borders.

AgencyService.CreateAgency

Agency.ToString
