The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'CW.Common.CwFollow.LateUpdate' and the bottom box contains 'CW.Common.CwFollow.Update'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'CW.Common.CwFollow.Update' followed by 'Position' on a new line. The arrows indicate that both 'LateUpdate' and 'Update' from the left boxes contribute to or are mapped to the 'Update Position' in the target box.
